

Store in a cool, dry place  
away from direct sunlight.

Honey tends to crystallise  
when refrigerated, as it has  
a natural tendency to  
solidify. If it does solidify,  
place it in a warm water  
bath until it liquifies.

Proceeds from Isha Life are used to bring well-being  
to people and communities.

Isha Life Raw Himalayan Honey is  
unprocessed and harvested from  
the pristine forests of the  
Himalayas.

In **yogic tradition**, honey is revered  
as a positive pranic food that  
promotes energy, balance, and  
inner clarity. Unheated and raw, it  
serves as a potent enhancer of  
yogic practices—nourishing the  
system and supporting overall  
vitality and well-being, naturally.
