## live consciously

Your physical, mental and spiritual wellbeing is influenced by **small everyday acts**. What you consume, think, eat, wear. And how you live, buy, spend time.

Isha Life helps you live your life consciously by bringing to you the **wisdom of yogic sciences** in the form of the products, services and knowledge.

## consume mindfully

Please do not buy or use the products **mindlessly. Understand its benefits.**

Most products are **sourced from local communities and individuals** trained and supported by Isha Foundation. Proceeds from the sale help improve well-being of these people, **supporting communities & revitalising the natural environment.**

*Yogic essential for wellbeing*
