

I want you to dedicate this Guru Purnima day to your inner wellbeing. This first full moon day after the solstice is very significant - do your sadhana, meditate, listen to music, and watch the moon. Make a Miracle of your Mind.

Grace of your Guru is with You.

Much love & Blessings,

Sadhguru

isha

*May your Being blossom
to bring Bliss and Beauty to all.
Grace of your Guru is with You.*

Much love & Blessings,

Sadhguru
